

Fraunshuh Cancer Center
Park Nicollet

Fraunshuh Cancer Center

Grand opening

Saturday, Aug. 1

9 a.m. to noon
Program begins at 10 a.m.

Fraunshuh Cancer Center

3931 Louisiana Ave., St. Louis Park, MN 55426

At Fraunshuh Cancer Center, patients really are at the center of everything we do. We designed a revolutionary layout where we bring all services to the patient. This allows patients to stay in their rooms for nurse and doctor visits, lab draws, treatment and even support services, such as music therapy, spiritual care or family therapy – whatever they need. This way, patients conserve energy for what is most important to them.

Join us as we celebrate the opening of Park Nicollet Fraunshuh Cancer Center. Tour our new center and see how we are changing the way cancer care is delivered to our patients.

- ◆ Explore the *innovative* layout and see how we bring all services to patients.
- ◆ Experience the *therapeutic* healing garden. 
- ◆ Participate in a *hands-on* demonstration of Novalis, shaped beam robotic technology.

Additional activities include:

- sun safety tips 
- cancer screenings, prevention information
-  seed planting at our new boardwalk alongside Minnehaha Creek
- much, much more

Fun activities for children include a fire truck demonstration, inflatable jump and team mascots.

To learn more, visit parknicollet.com/cancer or call 952-993-3248.

Parking is free. Enter Fraunshuh Cancer Center at 3931 Louisiana Ave.; park in the Orange Ramp. When exiting, inform the attendant you were at the event.
