

2013 PARK NICOLLET FOUNDATION GALA

SPONSORSHIP REGISTRATION

HOPE HEALS, the 33rd Annual Park Nicollet Foundation Gala, will be Saturday, November 16 at the Minneapolis Hilton. More than 1,000 community leaders, Park Nicollet Leadership and staff members attend each year. The event will include **DINNER, MUSIC, AUCTIONS, DANCING and FUN!**

HERE ARE THE IMPORTANT PROGRAMS THAT WILL BENEFIT FROM YOUR GENEROUS SUPPORT THIS YEAR

Healthcare Access and Affordability for All Kids

Nothing else matters when you're sick. That's why Park Nicollet Foundation provides more than 5,000 kids with no-charge healthcare, immunizations, well-child checkups, health education, personal health counseling and sports physicals. Four Park Nicollet-sponsored clinics in Brooklyn Center, Burnsville, St. Louis Park and Wayzata offer free healthcare to children from infancy through high school.

Mental Health Care for Youth

One in ten children lives with a serious mental health disorder, but most don't receive the services they need. Park Nicollet is piloting an innovative program using technology to bring mental health care directly to children and youth. Through collaborations with school districts, school nurses, social workers and trusted community partners, we will remove transportation and provider availability barriers and bring help to the kids who need it most.
