About Our Hospital

Park Nicollet Methodist Hospital is a 426-bed facility in the Twin Cities metro area, with more than 3,200 employees and over 960 physicians on its medical staff. Our hospital is recognized as an area leader in cancer care, cardiovascular services, maternity care and neurorehabilitation medicine. Methodist Hospital and associated programs offer a wide range of services for inpatients, emergency patients, and community. Pharmacists facilitate appropriate, therapeutic, efficient, safe and cost-effective medication related treatment. Selected medications are routinely monitored through the Pharmacy and Therapeutics Committee, by pharmacy clinical specialists, staff pharmacists, and our residents, to promote patient safety and improve patient outcomes. We offer two PGY1 Pharmacy Residency positions starting July 1.
