**Insurance information:** Our knowledgeable staff will be happy to try billing your prescription items to your insurance company. However, insurance billing is complex! Many of the items carried in the Park Nicollet Health & Care Stores and pharmacies are not covered by insurance. Coverage will depend on your individual policy. Please check with your insurance company directly by calling the customer service number on your card. You may be asked to sign a form, accepting responsibility for payment of anything not paid for by your insurance company. If you have any questions, please contact your insurance company or call any one of our stores for more information. Thank you.

Park Nicollet maintains stores to ensure convenient, comprehensive, quality medical services and products, but patients may choose to receive them from other sources.
