

Pediatric Fundamental Critical Care Support

February 22-23, 2018

Society of
Critical Care Medicine
The Intensive Care Professionals

Location

Embassy Suites Hotel
175 10th Street East
St. Paul, Minnesota 55101
([View map and directions](#))

Audience

This program is designed for primary care physicians, physician assistants and nurse practitioners. Nurses and other members of the care team may also find it beneficial.

Conference overview

The Pediatric Fundamental Critical Care Support (PFCCS) program will introduce principles important in the initial care of critically ill or injured pediatric patients to physicians, nurses and other health care providers who are not skilled in pediatric critical care but who must care for such a patient in anticipation of the arrival of a pediatric intensivist or pending transfer of the patient to a more suitable facility. It provides exposure in both didactic and hands-on clinical skills.

Disclaimer: The course is not intended to provide expertise in the care of critically ill and injured patients, but to provide some knowledge and skills to assist you in patient care prior to transfer or until critical care consultation is available.

Educational objectives

Following this learning activity, participants will be able to:

- Prioritize assessment needs for the critically ill or injured infant and child
- Select appropriate diagnostic tests
- Identify and respond to significant changes in the unstable pediatric patient
- Recognize and initiate management of acute life-threatening conditions
- Determine the need for expert consultation and/or patient transfer and prepare the practitioners for optimally accomplishing transfer

Cost/Registration

The registration fees are: physicians/\$495 and other health professionals/\$395. The fees include tuition, course materials, parking, lunch and refreshments. If you have any special needs or dietary requirements, please notify us when registering so that we can make arrangements to accommodate you.

Temperature in the meeting room varies. For your comfort, we suggest you bring a sweater or jacket.

If you have any special needs or dietary requirements, please notify us when registering so we can make arrangements to accommodate you.

Accreditation

HealthPartners Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, HealthPartners Institute, designates this live activity for a maximum of 16.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program is designed to meet the Minnesota Board of Nursing's requirements. It is the responsibility of each participant to determine if the program meets the criteria for licensure or recertification for their discipline.
