A full range of outpatient services are available, including:

- Chemical dependency
- Individual counseling
- Family counseling
- Group counseling
- Mental health diagnostic assessment

Call: 763-561-2120 x5100 to schedule an appointment.

ASSISTANCE WITH HEALTH CARE RESOURCES

Portico Healthnet helps to reduce the number of people without coverage for health care services. They do this by referring to low-cost medical, dental, and mental health clinics and by screening clients for Medical Assistance or MinnesotaCare. If the client appears eligible, Portico will assist with the entire application process (including communication with the county or MinnesotaCare). For those that do not appear eligible for a Minnesota Health Care Program, Portico will assist the client to seek out other options including Portico's low-cost preventive care plan.

Please call 763-561-2120 x5100 for appointments and hours of service.

ASSISTANCE WITH HEALTH CARE RESOURCES

As part of the Brooklyn Center Full-Service Community Schools, the Health Resource Center was built into Brooklyn Center High School. Remodeling was funded entirely by partnering contractors and Park Nicollet Foundation. United Way also supports its operation through funding. Medical, dental and mental health partners provide services at no-cost or low-cost to Brooklyn Center youth; infancy through high school. Other center services include assistance with accessing health insurance, immunizations, and health education.
