

## Publications by Park Nicollet authors 2012

Each year, Park Nicollet authors contribute to science and improvements in care by disseminating their research findings. In 2012, 27 Park Nicollet authors published 46 peer-reviewed papers, books and book chapters. In addition, independent physicians working at Park Nicollet Methodist Hospital published more than 100 additional manuscripts. We thank them for their dedication to learning and their contributions to health care worldwide.
